Welcome to Wondercase

Vietnam, Cambodia & Thailand

Vietnam · Cambodia · Thailand

Your itinerary, always at hand

Home · Maps · Essentials · Gallery · The Group · More

01 Open the app using your TD’s link. Travelers do not need a TD login to explore the app.

02 Follow the itinerary from Hanoi through Vietnam and Cambodia to Thailand. Your departure’s dates appear in the app.

03 Use the tabs at the bottom to explore. This guide works for any departure and any assigned TD.

Install on your phone

Keep your travel companion close

iPhone: Safari → Share

Android: Chrome → menu

Add to Home Screen · Wondercase

01 Open the app link in Safari on iPhone or Chrome on Android.

02 Choose Add to Home Screen (or Install app), then confirm. Browser wording can vary.

03 Use More → Help & Tutorials for the detailed iPhone and Android videos.

WATCH THE DETAILED INSTALLATION VIDEO →

Your daily schedule

Home is your starting point

Choose a date or use the day arrows

Read the schedule and the TD’s announcement

Check again before leaving the hotel

01 Home shows each day’s date, city and schedule. Choose a day with the arrows or calendar.

02 Follow Hanoi, Hue, Da Nang, Hoi An and Saigon, then Siem Reap, Chiang Mai and Bangkok.

03 Read the TD’s announcement and check again before leaving the hotel. Times and activities may change.

Explore with the TD’s maps

The big map stays above the city tiles

Tap a city name or marker

Or choose a city tile below

the TD’s Google Maps open separately

01 Tap Hanoi, Da Nang, Saigon, Siem Reap, Chiang Mai or Bangkok on the large map to open the TD’s map.

02 Angkor Wat opens the TD’s Siem Reap map. Hue uses its available uploaded map or a Google search.

03 City tiles below the map offer the same maps and any additional maps the TD shares.

Essentials for the journey

Hotels, flights, guides and handouts

Essentials → Hotels / Flights

Handouts → shared documents

Your latest schedule stays on Home

01 Open Essentials for hotel details, internal flights, local guides and available handouts.

02 Vedana Lagoon Resort is a lunch stop on this itinerary, not an overnight hotel. Check the Hotels section for your actual overnight stays.

03 Review shared documents online. Download a needed PDF before setting out; current flight and schedule updates take priority.

Join our photo gallery

Your gallery membership is separate

Gallery opens the shared gallery

First visit: join the gallery

Already joined: continue into your photos

01 Tap Gallery. It opens the group’s photo gallery directly.

02 If you have not joined on this browser, follow the gallery’s Join instructions.

03 Returning members enter according to the gallery’s saved membership. Safe sign-in does not sign you into the gallery.

The Group and meal choices

Find your card and select your meals

The Group → your guest card

Meal choices → dietary notes first

Choose a meal → submit before its cutoff

01 the TD reveals the guest list when it is ready. Your guest card includes Safe and Meal choices links.

02 Open Meal choices from your guest card and add dietary restrictions or allergies at the top.

03 Choose the meals the TD has made visible. Submit each meal or all open meals, and check the confirmation and deadline on each menu.

Your private Traveler Safe

Sign in and you are in

Use your preferred email or Google

Your Safe opens automatically

Your documents · your calendar plans

01 Open Traveler Safe and sign in with your preferred email and password, or Google. Confirm your email if you are creating a new email account.

02 Your private Safe opens automatically. There is no PIN, invitation, activation or Connect step. Keep using the same account on future visits.

03 Upload personal PDFs or photos and add calendar plans. Previously linked Safe contents stay available. Sign out when finished; downloaded files remain on your device.

Discover more

History, language and feedback

More → Learn More

Trivia beside Language lessons

Help & Tutorials · Help Wondercase Grow

01 Open More → Learn More for historical trivia about places on this itinerary.

02 Choose the Language lessons tile for useful local phrases.

03 Use Help Wondercase Grow to share feedback. Return on the same browser and device to update it.

Help whenever you need it

Stay connected and check for changes

More → Help & Tutorials

Reconnect for current information

Ask the TD about travel updates

01 Use More → Help & Tutorials for the interactive walkthrough, printable guide and phone installation videos. These explain the app controls; the current schedule is always in the app.

02 Internet is needed for updated schedules, Safe content and shared photos. Downloaded PDFs and videos can be opened on your device.

03 Use The Group for your TD’s contact details. Never include passwords or private documents in feedback.
