Welcome to K&D 101

Your 101st Tour companion

September 19 - October 2, 2026

Singapore to Bali

Home • Journey • Hotels + Flights • Info

01 Open the live app using Xavier’s link. Travelers do not need a TD login.

02 Use the four tabs at the bottom. Switching tabs returns you to the top.

03 Keep an internet connection for the latest announcements and schedule changes.

Install on iPhone

Safari → Share → Add to Home Screen

1 Open Xavier’s link in Safari

2 Share → Add to Home Screen

3 Keep K&D 101 → Add

01 Open the app link in Safari. If email opens it in another browser, copy the link and paste it into Safari.

02 Tap Share (or Page Menu, then Share). Scroll to Add to Home Screen; use Edit Actions if it is missing.

03 Keep K&D 101 as the name. Leave Open as Web App on if shown, then tap Add. See the separate iPhone video for all 14 steps.

WATCH THE DETAILED INSTALLATION VIDEO →

Install on Android

Chrome → menu → Install

1 Open Xavier’s link in Chrome

2 ⋮ → Install app / Add to Home

3 Confirm → find K&D 101

01 Open the app link in Chrome, rather than inside an email preview. Copy and paste the link if needed.

02 Open the three-dot menu. Depending on Chrome, choose Install and create shortcut → Install, Install app, or Add to Home screen.

03 Confirm installation, then find K&D 101 on your Home Screen or in your app list. See the separate Android video for all 14 steps.

Begin each day on Home

Full schedule and Xavier’s announcements

Day arrows • title • date and time

Selected day’s full schedule

Matching announcement • open day

01 On Home, use the small arrows beside the day number to browse previous and next days. The title, date and complete schedule follow your selection.

02 Xavier’s announcement also follows the selected day. On the day page, his panel stays visible and tells you if he has not posted yet.

03 Use Swap Today’s Journey and announcements to choose the Home panel order, then open the selected journey day with the button at the bottom.

Calendar and day pictures

Journey → banner, dates and route map

Kingdoms & Dragons banner

Journey Calendar • 14 day cards

Route map at the bottom

01 Open Journey to see the original banner and the combined Journey Calendar for September and October.

02 Choose a date or one of the 14 day cards. Use the arrows to move between days, or All 14 days to return.

03 The illustrated route map is at the bottom of Journey, below all the day cards.

Read and save a journey day

Day number, date and local time

Day number above the date • local time

Announcement • schedule • flight • stay

Save as photo • Download PDF

01 Each journey day shows only Xavier’s announcement for that selected day, above its schedule. If he has not posted, the panel says so.

02 At the bottom, Save this day as a photo makes a screenshot-style image with Xavier’s announcement, current schedule, applicable internal flight and tonight’s stay. Share it or save the PNG.

03 Download this day as PDF is also at the bottom. Refresh the app before saving to include Xavier’s latest changes.

Hotels come before flights

Hotels + Flights

Hotel and stay dates

Website • Map • Call

Scroll down for internal flights

01 Open Hotels + Flights. Each day’s Tonight’s Stay links to its hotel card; spa and restaurant menus and stay guides are linked beneath it when available.

02 Tap the hotel name on any journey day to open that hotel. Its available stay guides, spa menus and restaurant menus appear directly beneath the hotel link.

03 Continue below all the hotel cards to see the internal flights.

Spa and restaurant menus

Expand the menu section at your hotel

Plataran Komodo → Padma Spa

Plataran Komodo → Xanadu

Jimbaran → Healing Village Spa

01 At Plataran Komodo, expand Spa menus for Padma Spa or Restaurant menus for Xanadu.

02 At Four Seasons Jimbaran, expand Spa menus for the Healing Village menu and supplied 2025 tariff. Confirm current 2026 prices.

03 Open a menu to read its pages or download its PDF. Use Back to hotels in the viewer; every menu PDF page also has a Back to App link.

Read your internal flights
